

§ 95-194. Emergency information.

(a) An employer who normally stores at a facility any hazardous chemical in an amount of at least 55 gallons or 500 pounds, whichever is greater, shall provide the Fire Chief of the Fire Department having jurisdiction over the facility, in writing, (i) the name(s) and telephone number(s) of knowledgeable representative(s) of the employer who can be contacted for further information or in case of an emergency and (ii) a copy of the Hazardous Substance List.

(b) Each employer shall provide a copy of the Hazardous Substance List to the Fire Chief. The employer shall notify the Fire Chief in writing of any updates that occur in the previously submitted Hazardous Substance List as provided in G.S. 95-191(b).

(c) The Fire Chief or his representative, upon request, shall be permitted on-site inspections at reasonable times of the chemicals located at the facility on the Hazardous Substance List for the sole purpose of preplanning Fire Department activities in the case of an emergency and insuring by inspection the usefulness and accuracy of the Hazardous Substance List and labels.

(d) Employers shall provide to the Fire Chief, upon written request of the Fire Chief, a copy of the SDS for any chemical on the Hazardous Substance List.

(e) Upon written request of the Fire Chief, an employer shall prepare an emergency response plan for the facility that includes facility evacuation procedures, a list of emergency equipment available at the facility, and copies of other emergency response plans, such as the contingency plan required under rules governing the management of hazardous waste adopted pursuant to Article 9 of Chapter 130A of the General Statutes. A copy of the emergency response plan or any prefire plan or emergency response plan required under applicable North Carolina or federal statute or rule or regulation shall, upon written request by the Fire Chief, be given to the Fire Chief.

(f) The Fire Chief shall make information from the Hazardous Substance List, the emergency response plan, and SDSs available to members of the Fire Department having jurisdiction over the facility and to personnel responsible for preplanning emergency response, police, medical or fire activities, but shall not otherwise distribute or disclose (or allow the disclosure of) information not available to the public under G.S. 95-208. Such persons receiving such information shall not disclose the information received and shall use such information only for the purpose of preplanning emergency response, police, medical or fire activities.

(g) Any knowing distribution or disclosure (or permitted disclosure) of any information referred to in subsection (f) of this section in any manner except as specifically permitted under that subsection (f) shall be punishable as a Class 1 misdemeanor. Restrictions concerning confidentiality or nondisclosure of information under this Article 18 shall be exemptions from the Public Records Act contained in Chapter 132 of the General Statutes, and such information shall not be disclosed notwithstanding the provisions of Chapter 132 of the General Statutes.
